THE PRICE OF FREEDOM. Apex Film Corp., 1949.

Presented by the National Association of
Manufacturers. 23 min., sd., b&w, 16mm.

Summary: The son of a newspaper editor
visits his uncle in Germany and learns how
government control gradually took away the
freedom of the people. He returns and
influences his father to print news items
which will lead their community to see the
world situation as it is instead of as the
people want to believe it is.
